Roshni,

We have no additional questions or the need for a follow-up meeting. Please let me know whenever your team is interested in an inspection.

Have a good weekend.

Roshni,

Sorry for the delay. I surveyed my Compliance staff and forgot to check in with the Engineering team. Hopefully they will give me a response today or tomorrow.

Sincerely,  
Jack Cheng

Hi Jack,

I just wanted to follow up to see if your team had any additional input or if we should schedule a follow-up meeting for those who were unable to attend last week.

Thanks,  
Roshni

Good Morning Roshni,  
Just a FYI, I forwarded the invitation to our District Counsel (Stacey Pruitt). We asked that she attend in case there were some questions/concerns regarding our legal authority on tribal land.

Sincerely,  
Jack Cheng

Roshni,  
Did you want our Engineering Division as well or did you want to limit it just to Compliance?
